During the Public Health Emergency for COVID, MassHealth couldn't drop people from coverage.

**This MassHealth coverage protection is about to end!**

MassHealth says more than 785,000 people could lose coverage.

**After April 1st, all MassHealth members will need to show they still qualify.**

People who don't respond to MassHealth's renewal request will lose coverage.

We want to help you keep coverage.

# Do You Know Someone Who Needs Our Help?

## *Key info to obtain from people seeking HLA's help*

*This information can help HLA assist clients more quickly. Before you reach out to HLA, try to find answers to these questions:*

### **If you know someone who needs help challenging a MassHealth decision:**

- Have they sent in an appeal form to challenge the decision?
- Has the Board of Hearings picked a day and time to hear their case?
- If they have a day and time for their hearing, when is it?

### **If you know someone who has medical debt:**

- Do you have a copy of the medical bills?
- When did they get the medical services?
- Do they have health insurance right now?

## About Health Law Advocates:

Health Law Advocates (HLA) is a public interest law firm whose mission is to provide free legal representation to Massachusetts residents with low incomes who have difficulty accessing or paying for needed medical services.
